3M™ Instant Microbe Removing Wipes

Instantly trap, hold
and remove 99.9 % of
microbes including SARS
CoV-2 using just water.

Choose a better wipe

- ✓ Instant removal of microbes from high-touch surfaces
- ✓ Virtually eliminate cross-contamination
- ✓ No surface degradation - just use with water
- ✓ Increase confidence for employees and visitors

A clean you've never seen with 3M™ Instant Microbe Removing Wipes.

Instantly remove 99.9% of microbes including SARS COV-2. Just add water.

Use 3M™ Instant Microbe Removing Wipes on hard, nonporous surfaces and virtually eliminate cross contamination in high touch office spaces. Instantly trap, hold and remove 99.9% of microbes and give confidence to employees and visitors.

Reduce waste and chemical use

- ▶ No disinfectant, no chemical smell, no PPE required
- ▶ Refillable and recyclable canisters and buckets help save on packaging costs
- ▶ If unused wipes dry out, simply add water
- ▶ No liquid pre-loaded which makes them lighter to transport
